FOREWORD**BY PERODUA AUTO CORPORATION SDN BHD,
PRESIDENT AND P2SA ADVISOR**

Thank you for attending the 24th Perodua Supplier Association Annual General Meeting (AGM) here today as we look for opportunities to further improve the Malaysian automotive industry.

This AGM is also a platform for its members to voice out their ideas and actively participate in shaping its future.

So far, P2SA has withstood many challenges and have proven itself able despite the many obstacles faced, and this is clear with our highest ever production achievement of 289,054 vehicles in 2022.

Let us build on this momentum as we work towards further building our capabilities, beginning with our production target of 346,843 units this year.

We look for your support in realising this target, as well as your cooperation in resolving any issues that arise this year.

Above and beyond this, please keep on improving your operations as well as quality level to ensure that our customers' satisfaction remain high.

We wish this AGM will further strengthen P2SA, and take us to the next level in terms of quality and cost-efficiency in delivery.

Thank you.

Mr Masanori Takahashi and Datuk Ahmad Suhaimi Hashim

FOREWORD

BY THE PRESIDENT OF PERODUA SUPPLIERS ASSOCIATION

Assalamualaikum wbt and greetings to all.

On behalf of P2SA Exco members, I would like to extend my deepest appreciation to everyone's participation in our 24th Annual General Meeting.

Alhamdulillah, 2022 has truly been a "recovery" year after a turbulent and disruptive three years from 2019 to 2021, starting with the Covid-19 pandemic disruptions followed by the nationwide floods in 2021.

In 2022, Malaysia registered the highest ever Total Industry Volume (TIV, or number of vehicles sold) at 720,658 units. Total Production Volume (TIP, number of vehicles produced) correspondingly also broke the 700,000 marks for the first time in the country's automotive production history. These positive indicators were attributed to pent-up demand from previous years, encouraged by the extension of sales tax exemption from March to June 2022.

Closer to home, PERODUA's market share in 2022 stood at 39% of TIV, performing even better than market, with a 48% year-on-year growth at 282,000 units sold, and producing 289,000 units vehicles in 2022; a record on its own.

It is important to appreciate that despite the challenges brought by global disruptions and subsequent high-volume demand, we managed to collectively produce to the usual high-quality standards expected from PERODUA cars.

Moving forward, we are all aware of PERODUA's plan to go beyond last year's record, with target sales of 330,000 units, and production volume of 346,000. These are record-breaking numbers which would further increase PERODUA's market share to 45%. It follows that total part purchase from local vendors and suppliers would see a 20% increase from last year's RM8 billion.

Past years' challenges continue to abound. Labour shortage and costs increase, rising energy costs, the looming global economic downturn, logistics cost, forex fluctuations and rising interest rates may all add up to yet another year of uncertainty. On top of these, with the anticipated increase in volume; issues also arise in production capacity particularly relating to man and machine.

However, the disruptive past years have equipped us with the experience and resolve that together with PERODUA, we would be able to weather these challenges to emerge even stronger than before.

Vendor enhancement initiatives organised by P2SA for this year include joint training programs with PERODUA DDE such as FMDS, Basic Quality Management, QCC, & Skill Contests; learning visits to member plants; and organising vendor participation in conference & seminar, particularly on topics relating to Industry 4.0 and next-gen mobility technologies. Last year also saw the upgrade of P2SA's website to serve the vendor community better.

Also during the year, events successfully organised included our Annual Dinner, CEO Gathering, and participation in PERODUA's Annual Conference and PERODUA's Quality Exhibition. I would like to thank all active P2SA members who have supported P2SA in all our activities and initiatives. Our continued involvement in P2SA is indeed proof of our togetherness as Perodua vendors.

Last but not least, I would like to express my utmost appreciation to all Exco members for their hard work and dedication in ensuring the success of P2SA. Special thanks to Datuk Ahmad Suhaimi Hashim, P2SA's advisor, for always being there whenever the need arises. Along the same veins, appreciation is also extended to Dato' Sri Zainal Abidin Ahmad and Mr Masanori Takahashi for their unwavering support throughout our journey.

Together, we go beyond.
